

MIPRTC, Inc. is seeking motivated, full-time RNs who enjoy working in a team-orientated, laid-back, unique atmosphere at our Thunderbird-Wren facility.

No invasive medical procedures,

No mandated overtime,

No weekends or holidays!

This is an uncommon opportunity to be part of a culturally specific chemical dependency program serving the American Indigenous population.

Daily tasks include, but are not limited to, educating clients on medical ailments and mental health diagnosis, medication administration, intakes, and case management.

Recent graduates are encouraged to apply!

Compensation is \$30/hourly.

Experience in the following is preferred but not required:

- Mental Health
- Assessments
- Medication Administration
- Chemical Dependency
- Specimen Collection
- Team Collaboration
- Diabetes
- Admissions/Discharges
- Working with outside providers
- Documentation, good communication, and the ability to perform with minimal supervision
- Working with vulnerable populations
