

MIPRTC offers comprehensive services for the treatment of chemical dependency. All facilities are fully licensed. Our mission is to provide chemical dependency services to American Indians who are affected by or afflicted with the disease of chemical dependency. Mash-ka-wisen and Thunderbird-Wren are places where people can grow in both their personal and professional lives. We welcome applications from individuals with a sincere interest in helping our clients on their road to recovery, and who are seeking an opportunity to cultivate their career.

MIPRTC, Inc. is seeking a motivated full-time LPN who enjoys working in a team-oriented, laid back, unique atmosphere. No invasive medical procedures, no mandated overtime, no weekends, flexible scheduling and a unique opportunity to be part of a culturally specific chemical dependency program serving the Native American population. Daily tasks may include educating clients on medical ailments and mental health diagnosis, medication administration, and case management.

Experience with the following skills is preferred but not required:

- Mental Health
- Assessments
- Medication Administration
- Chemical Dependency
- Specimen Collection
- Team Collaboration
- Diabetes
- Admissions
- Discharges
- Working with outside providers
- Documentation
- Good communication
- Working with vulnerable populations

Requirements:

- Must be free of problematic substance use for at least one (1) year and willing to attest to length of sobriety.
- Subject to pre-employment, post-accident, return to duty, follow-up, and random drug testing.
- Subject to pre-employment and annual background check.
- Subject to immunization review and submitted proof of required vaccinations.
